

20% OFF CAT BUCKET TIPS AND ADAPTERS

MATCH THE TIP TO THE JOB

You've got options! We'll work with you to choose the right tip for your task – balancing cost with the performance your application demands.

<p>Standard Long</p> <p>Balances penetration, strength and abrasion resistance for versatility at a reasonable cost.</p> 	<p>Heavy Duty Abrasion</p> <p>For sand, gravel and shot rock.</p> 	<p>Heavy Penetration</p> <p>For high-impact, hard-to-penetrate materials.</p> 	<p>Heavy Duty Long</p> <p>Wears around the profile to increase penetration.</p> 
<p>Rock Chisel Tip</p> <p>Penetrates easier and resists blunting in medium-impact and high-abrasion applications.</p> 	<p>Long</p> <p>These symmetrical tips are the baseline for other tips.</p> 	<p>Penetration Plus</p> <p>Self-sharpen as they wear.</p> 	<p>Penetration</p> <p>For maximum impact in densely compacted materials.</p>
